

2023 Sauvignon Blanc

Van Duzer Corridor AVA | Willamette Valley | Oregon

Björnson is in the heart of Oregon's Willamette Valley. Our estate vineyard in the Eola-Amity Hills is certified Salmon-Safe and sustainable by L.I.V.E. (Low Input Viticulture and Enology). Our Pamar Vineyard is in the Van Duzer Corridor, one of the newest AVA's. Both properties are farmed sustainably and regeneratively, with solar panels, permanent cover crops, and preserved riparian areas. We make our wine with minimal handling, so that each bottle fully expresses our exceptional terroir.

The Grapes came from Pamar Vineyard in the Van Duzer Corridor. Strong winds, a combination of marine sediment and volcanic soils, and cooler growing conditions combine to produce wines with intense flavor, structure, and vibrancy.

The Wine leaps out of the glass with a myriad of flavors. There is a lot of fresh fruit, peaches, guava, and a backbone of bright lime juice and lemongrass. Jasmine lifts over the top of the varietal's spicy notes. The palate is rich and vibrant, with mouth filling acidity, spicy flavors, and a fresh citrus and crushed stone finish that lingers longer than your next sip.

The 2023 Vintage started with a nice, long, wet spring. The summer was beautiful for growing grapes with warm dry days, not too hot, cool nights, and ample wind through the Van Duzer Corridor. Harvest arrived right on time with our average pick date right around the 100 days after bloom marker that we always hope for. By the last week of September, the rains arrived, slowing harvest down. This gave some of our late-ripening grapes a longer hang time which allowed us to catch up in the cellar. At the end of a dynamic growing season, we found a beautiful and diverse array of wines in our cellar. This vintage resembles a historic Willamette vintage of the not-too-distant past: lower alcohols, more finesse and complexity. We thank our harvest team for the wines that we made with them.

BJÖRNSON
Sauvignon Blanc

2023 | PAMAR VINEYARD | VAN DUZER CORRIDOR

Appellation (AVA): Van Duzer Corridor, Willamette Valley, Oregon

Vineyard: Pamar Vineyard, Tom's block

Vinification: The fruit was hand-picked and whole-cluster pressed. The juice was cold settled for one day before being clean racked and inoculated. Once fermentation was complete the wine was racked into neutral barrels for three months *sur lie* aging. Malolactic conversion was inhibited and the wine was naturally cold stabilized in barrel prior to bottling.

Harvested: Sept. 18, 2023, 25.0 Brix

Finished Wine: Alc. 14.4%, pH 3.04, TA 7.3 g/L

Bottled: March 8, 2024, 124 cases, **Unfined**
